CAPTIVATING PRESENTATION

Non-verbal communication in public performance - One-day training course

Impression we leave at the beginning of a presentation decides whether or not the audience will appreciate and follow us all the way. In the first 2 minutes the audience will evaluate whether you are prepared, how much you believe in what you are saying, how open and honest you are.

GOALS:

- Understanding importance of non-verbal communication
- Techniques for enhancing non-verbal communication
- Techniques of non-verbal communication to overcome the tension in the performance
- Empowering and practicing presenting skills

METHODOLOGY:

- Adult learning theory

IMPACT ON THE UNIT:

- Raising the level of self-confidence in public speaking
- Striking and interactive performances
- Understanding the importance of knowingly using non-verbal communication
- Improving the quality of everyday communication
- Empowering communication competencies
- Assertiveness through nonverbal communication

EFFECT ON ORGANIZATION:

- Empowering internal and external communication
- Increasing the efficiency and impact of meetings, presentations and corporate meetings
- Development of empathy

TARGET AUDIENCE:

- Anyone who has a business or private obligation or need to present their ideas, work, knowledge, project, success, etc. at least once a year.

TRAINING PROGRAM:

- Elements of non-verbal communication
- Body language, gesturing, voice, eye contact, dress code, controlling the space
- The importance of non-verbal communication
- The cultural aspects of non-verbal communication
